

THE POSITION – Engineering Inspector

Lambert is looking for an Engineering Inspector to carry out mechanical engineering inspection of precision machined components to ensure Lambert deliver the quality and specification to meet customer requirements.

YOU WILL.....

- Interpret customer drawings, identify specified standards, check final component produced meets specification and produce supporting evidence.
- Identify components which do not conform with customer specification enabling corrective action to be taken before the product is delivered to the customer.
- Carry out root-cause analysis to identify cause of non-conformance
- Maintain calibration of measuring tools and maintain accurate records to demonstrate accuracy measures.
- When a component is finished, complete Inspection Report to confirm the product meets the required specification and produce Certificate of Conformance to be sent to the customer.
- Engage, advise and guide others on quality issues to ensure compliance with ISO14001 and ISO9001 by complying with appropriate Standard Operating Procedures.
- Work with Design Engineers and customers, on product and process investigations to identify problems and devise solutions.

YOU WILL NEED....

- Thorough understanding of ISO9001 and ISO14001 and other British Standards
- The ability to use CMM equipment and be competent in the use of a wide range of precision measuring equipment including digital height gauges, hardness testers, shadow graphs etc and be able to achieve tight deadlines
- Fully conversant with engineering drawings and conventions and material specifications
- Experience of weld and fabrication inspection and knowledge of Non-destructive Testing (NDT) techniques and processes
- Experienced in the interpretation of material test certificates to ensure compliance with specifications
- Apprentice trained or an equivalent qualification in mechanical engineering

OUR EMPLOYEE BENEFITS

- 25 days annual holiday + statutory bank holidays
- Enhanced Pension Scheme
- Annual Pay Review and Annual Profit Share Bonus
- Flexible Working Hours and option to buy extra holiday
- Death In Service Benefit, Optical & Dental Contribution and Childcare Vouchers
